The eight lighted tennis courts at the DeSoto Recreation Complex are probably the busiest public courts in the county. There are lessons available for all ages and abilities, and a variety of league play. The youth program is the pride of the courts, with over 100 youth participating in a summer league. DeSoto Park also has two enclosed racquetball courts with cement floors and ceiling fans.

Although the courts are staffed during the busiest times of the day, each day between 12 noon and 4:00 p.m., the courts are left open for free play.

Tennis is a lifetime sport and it is never too late to learn how to play.
