

Skate Park
750 Jamaica Boulevard
Satellite Beach, FL 32937
Phone: (321) 777-3538

The City's Skate Park is the hometown destination for many skating youth in our area. The entry fees are reasonable and the park is large enough (13,000 + square feet) to accommodate skaters of all ages and ability levels.

There are special beginner skater sessions on Saturdays and Thursdays, which allow beginners and their parent to enter the skate area when more advanced skaters are not present.

A waiver must be signed and is available on the Recreation Department's website at <http://satellitebeachrecreation.org/SkatePark.aspx> along with hours of operation and additional information about the park.
