

Community Redevelopment Agency Update

Terms Used: *Community Redevelopment Agency (“Agency”)*
Florida Legislature’s Joint Legislative Auditing Committee (“Auditing Committee”)
Community Redevelopment Plan (“Plan”)
Community Redevelopment Agency Advisory Committee (“CRAAC”)
No Later Than (NLT)

Issues: At the Agency’s July 13 meeting, three issues were discussed:

- [1] Upcoming budget considerations
- [2] Response to Auditing Committee’s letter to the City
- [3] Plan review and update

Timeline: The timeline for addressing these issues is as follows:

[1] **Upcoming Budget Considerations**

- **NLT CRAAC’s July 28 meeting**, CRAAC will finalize its recommended budget for the Redevelopment District and forward it to the Agency for consideration during the City’s August/September budget meetings.

[2] **Response to Auditing Committee’s Letter**

- **NLT City Council’s August 17 meeting**, the City Attorney will present a response to the Auditing Committee’s allegations for Council approval and submittal to the Auditing Committee.
- Because the City has no experience with the Auditing Committee, we are currently seeking information from Tallahassee to determine how soon the allegations can be resolved through their process. A timeline will be provided as soon as it is known.

[3] **Plan Review and Update**

- **NLT CRAAC’s August 25 meeting**, the Florida Redevelopment Association will review the Plan, suggest revisions for a Plan update, and present recommendations at a joint meeting of the Agency and CRAAC. Agency will determine how to proceed with updating the Plan.
